

NEW DIRECTOR . . . Ben Haggott, 23250 Roberts Road, is sworn in as the Torrance representative on the MWD Board of Directors. Administering the oath of office is Paulina Jacobs, secretary to the district's general counsel. Haggott replaces George Vico, who previously represented the city of Torrance on the MWD Board.

Welfare Law Notes Birthday

Social Security celebrated its 33rd birthday Aug. 14. Miles A. Davis, Social Security district manager in Torrance has announced. On that date 33 years ago, President Franklin D. Roosevelt signed Social Security into law.

In the relatively short time Social Security has been in existence, numerous changes in the program have been made. The original law only provided benefits for retired workers. Now, workers — and their families — are protected. And not only when they retire, but also if they die or become disabled before reaching retirement age.

Social Security has also been expanded to include Medicare, which provides health insurance for people 65 and older. Today, one out of every eight persons in the country is protected by social security. In fact each month 24 million people are receiving more than \$2 billion in benefits.

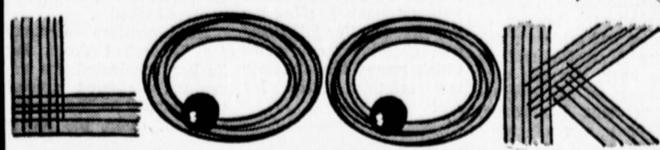

ACCORDING to Davis, of all the recent changes in the law, the most important has been more liberal eligibility

requirements for younger people. Today's young worker knows that he and his dependents will be provided for in the event of an emergency. Therefore, the idea that Social Security is only for the elderly is a popular misconception.

Anyone who would like more information about his rights under the Social Security law may write, visit, or phone his local Social Security office.
